GOD's Blessing To You All

Greetings, Ahava, Shalom, and Brakot to all. Hello again to all my previous readers and friends. ☺ It is an honor for me to be able to share my heart and mind with you again, as we continue to share The Heart and Mind of The True And Living GOD. I am aware that most of you don't know me, or that Ahava means Love, that Shalom means Peace; and that Brakot means Many Blessings, but if you continue to read these writings, you will learn some Hebrew words, and, hopefully discover a deeper revelation of the words of The Prophets and The Disciples. It is my personal desire that we will become more acquainted with each other, as we grow in the knowledge of The HOLY One Of Israel, YESHUA HaMashiach. (JESUS, The Messiah)

In the past, I have written my column as an exposition, as I wanted to build a foundation first, and then expound and continue to build upon that foundation. In retrospect, though, I have realize, that by writing a "one-way" discourse, I was not able to establish a meaningful relationship with my readers. I believe that some may have become frustrated in their understanding of the subject matter, electing then to discontinue reading it.

This time, I would like to have more of an "open forum" type of platform, whereby we, as a group, will determine the direction of the discussions. Therefore, I am inviting you all to correspond with me via e-mail, at robertb@lovesongchristianchurch.com Kindly (please) use "GOD Talk #_ " in the "Subject" line of the e-mails, so that we can be "on the same page". Thank you. ☺

So let's get started! If anyone would like to suggest a topic for a new discussion, get to your keyboard, and let me know! Also, if I receive many e-mails asking the same question, I will write a new GOD Talk treatise on that subject. Please be assured that I will not include any of your personal information in the columns, only the content pertaining to the discussions. Your user name or e-mail address will **not** be included unless you indicate to me that you want it to be. So, as Captain Picard and his first officer Commander Riker say in the Star Trek series... ***Engage!***

May GOD Help me to give Him the Honor and the Glory that He Deserves in my attempts to reveal His Heart and Mind to you through His Word, By His HOLY SPIRIT, and In The Name Of His Son JESUS... Amen. ☺
