

My Friend

*And so what is it that defines us
Of whom we are and where we are going?
It is ourselves, our egos, our eyes or loved ones?
It is God who reveals our inner thoughts and says
'Come Child, I see you as you are, Lost and Alone
Without a friend is how you feel but Let Me
Tell you the truth, the story of life. I am your God, You
Were created in My Image, That makes you a part
Of Me. Don't be tossed back and forth or listen to lies
Of confusion, feeling lost and afraid. Seek after me and
You will find What Defines You.
Me; the Creator of the Universe,
Me; the Creator of Heaven and Earth.
Now walk in peace and keep your eyes on Me.
I know your darkest moments, I know your past
But I still here; know you, loving you,
Standing beside you. Now Rest in Me,
For I Created you; My friend
Yes, I call you My friend.'*
