

Not Your Works

*It's not your works I desire
It's your love I require
Come follow Me.*

*Do not be weary
For I will make you strong
For I will hold your hand all
All day long,
Come follow me.*

*Oh, but Lord, you cry
Don't ask this of me
For I'm just a sinner fallen
From grace,
I'm afraid that to you
I'll bring you disgrace.*

*Oh, my child, it's so simple
Can't you see?
Just look inside
It's your love I require
It's what I desire
Come follow me.*

*It's not your works I desire
It's you love I require
Come follow me
Come follow me.*
