

ISAIAH TODAY

"TO MY PEOPLE WHO HAVE SEEN THE CANDLE OF MY LIGHT AND HAVE BEEN DRAWN TO IT, BUT ARE REJECTING THE FLOODLIGHT I OFFER THEM. TO MY BELOVED WHO ARE NOT SPIRITUALLY DEAD, BOT WHO ARE IN A SPIRITUAL COMA, I GIVE THE WORDS OF MY PROPHET ISAIAH-- IN A NEW TIME, TO A NEW PEOPLE."

None of us knows the details of the end times, nor the exact time, and we won't, until that time comes, as the Bible teaches. But, we do know that events will lead to that time, and we're seeing more and more concentrated signs of it. As times progress, we will not be able to trust leaders, even church leaders, who will be deceived.

The Lord impresses on us more and more how crucial it is for each of us to spend time with Him and develop our spirits to hear Him clearly especially in these times. We will all be united in the Spirit when we do this. He will bring us together as one Body in a way we've never seen before, and we will then be able to see who can and cannot be trusted, as our discernment develops with time with Our Lord. There is no shortcut to this. Just like developing muscles, our spirits need to grow with time and exercise. The more time we spend with our Beloved, the more joyful it becomes, and the more secure we will become. The following study was given to me in 1984, but it is crucially needed now. It is important to follow along with the Bible to obtain the full effect.

The Bible, being the Word of God, is written in such a way as no man could write. It has parallel meanings, all of which are perfectly accurate as the Word of God, yet, entirely different in relation to peoples' lives and the history of nations as a whole. The Book of Isaiah is generally a prophetic utterance of the foregoing history of the nation of Israel, and became and will become true in every detail as it is written. Not to diminish that parallel meaning of the Word of God in Isaiah, the Spirit of God has revealed to my spirit a parallel meaning pertaining to the Born Again, Holy Spirit Baptized Child of God in the present days. Its purpose is to further the cause of uniting the Body of Christ into one fully agreeable unit to do the work of God on earth, and to encourage God's children to seek the fullness of the Baptism of The Spirit for His Glory.

It was given with reference to the King James Version, and, for reasons of simplicity, I didn't reproduce the Scripture verses in their entirety, so it is very important, to get the full meaning intended, that the reader follows along in a King James Version Bible, and let the Spirit reveal to you what He wants you to feel in it. It is not intended to be read through quickly, but to be studied and thought about and used as a beginning point for

opening a communication of Spirit with the Father.

Let us pray that the people whom You, Lord, will lead to this study, and to others, will be obedient to Your leading, and open to Your message to each individual, and that they will obey You and play their appointed role in the Body in these important times. We praise You, Lord Jesus Christ and Our Heavenly Father for counting us as Your own through the sacrifice of Our Lord, and pray for the individuals who have not yet heard Your voice,-- -- Lord.. may their hearts be softened and may they, too, be drawn to Your side. We pray this with the assurance that it is heard because of the authority of Our Lord Jesus Christ. Amen
