

Isaiah
Chaper 19

v. 25-- Together we will be the Body of Christ. The nominal Christians whom the Lord opened the eyes of, the pagan religions who were converted, and the Jewish people who were opened to Christ's Divinity--All Baptized in the Holy Spirit! These are represented, in order, by Egypt, Assyria and Israel.

Chapter 20

v. 1-6-- We can be led astray from truly following Our Lord Jesus by listening too much to others. It's usually well-meant advice, but it's from them, or the Lord's message to them, and not His message to us. We should "strip ourselves" of all that and go to Him with each piece of advice before absorbing it into our situation. Otherwise we are grieving the Spirit by ignoring His message to us individually and are "a shame" to Him.

Chapter 21

v. 1-- Satan comes "like the wind" to us to draw our minds against the Lord.

v. 2-- Satan is the "treacherous dealer" who "dealeth treacherously" in our minds to get us out of the Word of God--in whatever little "crack" in our lives he can get through.

v. 3-4-- When he brings these thoughts on us, we are painful. We don't want such thoughts and feelings, yet we alone can't get rid of them. Only Jesus can take them away, and we can do it in His Glorious and Powerful Name!!

v. 5-6-- We have to be on the watch continually to make sure our thoughts are of Our Lord and totally give ourselves and our thoughts and feelings to the Lord to make like His and keep us in His Eternal Plan.

v. 7-8-- As we watch diligently for Satan's attacks, God sends His warriors--His ministering angels--to give us strength to rebuke Satan's temptations. The ministering angels are our servants, and we can call upon them to strengthen our defenses.

v. 9-- And with the Strength and Power of Jesus Christ, which is always in us, we can undeniably make Satan fall from us as surely as Babylon fell!!!
