

Isaiah
Chapter 28

v. 9-- So, God is revealing His Truths to "Babes" (See Matthew 11:25). He is pouring out His Holy Spirit upon the Body of Christ. He is giving wonderful revelations to the "little people"--who will take it with more humbleness and love.

v. 10-- Little by little, line by line, through different people, revealing some things to one person, some to another.

v. 11-- This is an undeniable reference to Speaking in Tongues. He speaks to us in the Spirit, and we speak to Him in the Spirit--He must be worshipped in Spirit and truth--not in mind. The gifts of the Spirit are going stronger than ever!!

v. 12-- "the rest" is the rest of Jesus' wonderful peace, and the comfort of the Comforter (Holy Spirit). But there are those today who will still deny the presence of the Holy Spirit. To do this is to deny Jesus and the Father. The Holy Spirit is the Messenger.... He is God.

v. 13-- All of the Promises of God are in His Word. It is written in such a way that it cannot be discerned through the mind. This is what He means by "Precept upon precept"--There are deeper meanings in all of God's written Words that can only come to each of us through the Spirit--we must go to Him with our spirits, not merely our minds--to ask for these revelations. There are millions of volumes of books of knowledge between each word of the Bible! He wants to reveal it to us! But anyone who reads it with their mind will be snared and fall backward, because it wasn't meant to be read that way. This is how the pharisees read it, and we see what Jesus thought of them!

v. 14-15-- He is still speaking of the Leaders of the Church. They have been so disallusioned by Satan that they have hidden behind his lies and feel secure there. We hear from many denominations very narrow-minded things that say, in effect, that unless we become their denomination, we can't be saved. They have hidden behind the lies of their doctrines, rituals and rules so long they have lost track of the real Grace of Salvation.

v. 16-- But God has sent Jesus for our Salvation--He was tried, tested, and came out strong--He is worthy of all our Glory!!

v. 17-- When we rely on a simple and true reliance on God's Offer of Salvation through Christ, the lies of Satan will not be our refuge anymore--It will all be washed away with the Living Water of the Holy Spirit and we will be swept out of our hiding places!!
