

Isaiah
Chapter 30

v. 25-- The Outpouring of the Spirit--The living water of Christ is represented by the streams and rivers--When His people use His power to "slaughter" Satan and his demons and their towers shall fall!!! They are falling fast now!!!

v. 26-- At this time, His glory is so great, nothing can compare to it, as He brings all His people together and joins the wounds of the divided church!

v. 27--28-- This refers to the time of the vanity referred to in Daniel 8:25, when the "anti-Christ" will love only himself, etc. --when people will love themselves and this world more than God, and God's people will be the minority and will be afraid to speak up.

v. 29-- But those close to Jesus will have a closeness yet, in their hearts, where no one can stop them, and they will still be joyous in the Lord.

v. 30-- Then the Lord's people will again gain strength and speak for Him.

v. 31-- Through the Lord's voice in His people, those who were vain and working for Satan will be struck down.

v. 32-- God has chosen His working people ahead of time, that is the meaning of the words "grounded staff", which come from words meaning a decree, an order. Those He has chosen, which is His Body, will have His staff laid upon them, and He expects us to stand in His name!!

v. 33- Tophet is Hebrew meaning impurity. Impurity has been personified as a king in the hearts of the people. When the Lord's people rise up with joy, peace, and the Spirit of the Lord, they will build a fire of God's glory and love and burn the king "Tophet" at the stake with a hot fire, with much wood, and the "breath of the Lord doth kindle it"!!

Chapter 31

v. 1-- Woe to those who rely on the things of this world.

v. 2-- God alone is wise, and will rise against evil. He must do this to cleanse His universe of the influences of Satan. The house of the evildoers is Satan's hidden influence in the evils of this world.
