

Isaiah
Chapter 50

v. 11-- He's saying that when we kindle our own fire, and rely on our own selves, we will walk in that little light instead of the huge light of God, with our little light, we have shadows and darkness, for the enemy to sneak in and cause sorrows.

Chapter 51

v. 1-4-- He is speaking to all of us, who, through Christ, are descendents of Abraham.

v. 5-6-- These are beautiful verses showing His righteousness given to us. We are the isles--those coming to Him alone, not tied to worthless religious rituals, but surrounded by His waters alone. We must trust in His arm. His arm is Jesus. In Jesus we have salvation from everything the enemy can throw at us. We already have the salvation. All we have to do is claim it every time Satan tries to tell us differently.

v. 7-- The Lord said He would write His laws in the hearts of His people. Through Jesus Christ and the Holy Spirit, we have the law in our hearts. Once we see the eternal love of God for us, there is no way we will willfully disobey any law of God. His law is love, and that love is forever in our hearts with Jesus. We are in heaven right now, with God and our Lord Jesus Christ. The people of this world can't do anything to us. If we have victory over Satan, which we totally do, we certainly need not fear the opinions or words of people!!!

v. 8-- For people like that, who are tied tightly to this world, cannot be saved.

v. 9-11-- We are the arm of the Lord now. We are in Jesus and He is in us, and He said, "Greater things than these shall you do..." (John 14:12) He's calling His Body to awake!! His people are asleep in their church pews! He doesn't want a people sitting and listening to theology, then go the next 6 days a week letting Satan do what he will with their body and minds!! God has given His people a tremendous gift of power and strength and salvation, and has gone to a great risk to do it, and many sit and say they don't want it, they don't believe in it. Would that not break His heart??!! We are His arm--The mighty works He did of old were done with the same power that dwells in us!! It is as if we had a part in all of those things, because God is the same yesterday, today, and tomorrow, and we are in Him!! Through Him, we did those things!! What a joy that is!! Each thing we read in His Word we have a part in!!
