

Isaiah
Chapter 66

v. 7-8-- The Holy Spirit is our mother in a sense. He travails in His desire to recreate our spirits and bring forth a new creation. The Lord brings forth nations one person at a time. The Holy Spirit is our counselor, comforter, nourisher, all the things a mother is, and one person at a time, He nurtures entire nations.

v. 9-- He doesn't bring His people through life and not give them a chance to be saved.

v. 10-13-- Rejoice!!!! Oh! How many times does the Lord tell us that?!! He tells us to rejoice in each other, to share the Lord's words and His glory through each other. Our nourishment is from the Holy Spirit. He protects and cuddles us like a mother. (See v 7)

v. 14-- When we not only receive the Holy Spirit, but learn to see Him as our Comforter, Guide, Counselor, etc., then we will flourish and He will guide every detail of our lives.

v. 15-16-- He will purify the evil from His people. We will be purged and cleansed.

v. 17-18-- He will expose the evil in those who appear to be righteous.

v. 19-20-- He will cleanse and gather all His people--rich, poor, healthy, sick, all will be brought to Him through the spreading of the Gospel.

v. 21-- He will take new priests out of the regular people--not appointed by men of the church, or through education, but chosen by Him.

v. 22-- We will forever be His people, as the heavens and earth are forever His.

v. 23-- All flesh will worship Him--Evil will be purged out and we will gloriously worship Him continually--not bound by rules and times of the church.

v. 24-- God is righteous, in the end all evil must be punished. Those who deliberately turn against Him when knowing all sides, must be punished, to rid His universe of evil once and for all.
